SPONSORSHIP OPPORTUNITIES

OCTOBER 23 – 25, 2019

RADISSON HOTEL EDMONTON SOUTH, EDMONTON, ALBERTA

The Alberta blendED2019 organizing committee invites you to join us in Edmonton at **blendED2019: Alberta's Blended and Online Symposium** October 23 – 25, 2019 at the [Radisson Hotel Edmonton South](#) ([conference rates available](#)), Edmonton, Alberta. Don't miss out on this opportunity to connect with educators and leaders in technology-based learning.

Alberta's blendED Learning Society is a volunteer group of education leaders who believe in fostering blended and online learning. We believe there is a need for a structured dialogue and sharing at a Symposium as blended and online learning continues to become more prevalent in our day-to-day campus and virtual teaching and learning environments.

The focus of the 3-day Symposium is based on applying flexible learning strategies in a variety of learning spaces. This event is the fourth annual in Alberta and is designed to attract educators, technology coordinators, curriculum developers and administrators from the K-12 and post-secondary sectors. We are inviting educators interested in exploring emerging and exciting ways to use technology to enhance the teaching and learning experience in both campus and virtual learning environments. Those attending will be educators and leaders on the cutting edge of technology integration in teaching and learning. Throughout the event there will be many opportunities for interacting with sponsors, networking and sessions to inspire and provoke delegates to think outside traditional learning boundaries to foster critical thinking, teamwork and collaborative instructional skills through technology-supported strategies.

We anticipate 300 delegates from Alberta and across Canada. We have created many opportunities for sponsors to get their message and values across to delegates. Sponsorship options range from a logo and link on the symposium website to an official keynote sponsor and introduction. No matter what level of sponsorship you choose, there will be networking opportunities abound in the exhibit area where meals and social events will occur. Check out information on our website: <http://www.blendedalberta.ca/> or feel free to contact us with any questions at AlbertaBlendED@gmail.com.

We look forward to having you join the October event.

Sponsor Networking Opportunities

In addition to providing a high traffic exhibit space designed for maximum exposure (see map on page 13), the Symposium program has been deliberately designed to encourage delegates to visit exhibits between workshops, during meals and nutrition breaks. The program also includes two scheduled social receptions to provide you the opportunity to build one-to-one relationships with delegates, fellow exhibitors and sponsors, and high-level decision makers.

Opening Night Pub Night: *Wednesday, October 23rd, 4:30 - 6:30 pm*

Don't miss your opportunity to converse with delegates at the symposium's Pub Night. The Symposium kicks off with networking in a casual and lively environment in the Lion's Head Pub at the hotel. Everyone is welcome - delegates, keynotes, exhibitors, and sponsors.

Symposium Social: *Thursday, October 24th, 4:30 - 6:30 pm,*

Enjoy a casual drink, hors d'œuvres and great conversation at the main networking event of the symposium. Join delegates, presenters, other sponsors and symposium organizers in the Symposium Social next to the exhibit area.
